

From Mombasa to Aden
the only birds noted
were a few hooded Gulls
as Aden was approached

One Ring-bill, 1 Yellow
Wingtail, and a pair of
Hoopoes were with us one
day from Aden.

On the day we arrived
at Port Sudan, a lot of
Swallows (Hirundo)
one Wingtail and one Ring-
bill were on the ship; and
Hooded Gulls followed it
from Aden to Port Sudan.

At Port Suez were many
Black-backed Gulls (Black
mantle, white head, tail, belly
& lining of wings & white
tips to ~~primary~~ secondary
wing-quills. These Gulls were
abundant through the Canal
& followed the ship from Port Said until
